The After School Scholar

GARDEN EXPLORERS CLUB

Learn. Plant. Grow. Thrive!

Next Four Weeks

WEEK 1 – NOVEMBER 2

Little Gardeners, Big Harvest

Let's see how much our garden has grown!

We'll:

- Check on our plants and see what's ready to harvest.
- Thin carrot seedlings.
- Harvest lettuce and herbs (if ready).
- Talk about what plants need to keep growing.
- Create a garden journal page.

WEEK 2 – NOVEMBER 9

Plant a Pizza Garden

Herbs that make food delicious!

We'll:

- Plant oregano, parsley and more Italian herbs.
- Learn how herbs grow and how we can use them in cooking.
- Create and decorate plant markers.
- Smell and compare different herbs.
- Water and care for our plants.

WEEK 3 – NOVEMBER 16

Flowers for Our Pollinators

Help butterflies, bees and birds by planting flowers they love!

We'll:

- Plant cool-season flowers (pansies, snapdragons, or marigolds).
- Learn about butterflies, bees and hummingbirds.
- Refresh our butterfly garden with new flowers.
- Observe and record pollinators we see.
- Make a pollinator tracker page.

WEEK 4 – NOVEMBER 30

Garden Gifts From Nature

Create something special to share!

We'll:

- Decorate small wooden birdhouses.
- Plant herb cuttings or seedlings in small pots to take home.
- Talk about how birds help our gardens.
- Create a cute tag with care instructions.
- Celebrate everything we've grown and learned!

MONDAYS
4:30 PM – 5:30 PM

AGES 5 – 12
