Build. Create. Imagine. Achieve!

The After School Scholar

Design it. Build it. Be proud of it!

MASTER BUILDERS CLUB

A 4-WEEK FALL BUILDING ADVENTURE!

FRIDAYS
4:30 – 5:30 PM

GRADES
KINDERGARTEN – 5TH GRADE

BUILD. LEARN. HAVE FUN. BE A MASTER BUILDER!

WEEK 1 NOVEMBER 6 — TREEHOUSE ARCHITECTS

- Design and build a treehouse
- Add a ladder, balcony and creative features
- Use nature-inspired colors and details

CHALLENGE: Can your treehouse stand on supports?

WEEK 2 NOVEMBER 13 — BRIDGES & BUILDERS

- Design a bridge over a river
- Use towers, supports and strong structures
- Test and improve your design

CHALLENGE: Can your bridge hold weight?

WEEK 3 NOVEMBER 20 — THANKSGIVING VILLAGE

- Build a harvest farm with barns, animals and a pumpkin patch
- Create wagons and details
- Work together to build a full village scene

CHALLENGE: Can your wagon transport the harvest?

WEEK 4 DECEMBER 4 — WINTER WONDERLAND

- Build a winter village
- Create cozy houses, snow-covered trees and a holiday train
- Add creative details and moving features

CHALLENGE: Can you create a moving feature?
